

National Archery in the Schools Program

2018 NASP®/IBO 3D Challenge Rules

Western National: Sandy, Utah, April 13-14

Eastern National: Louisville, KY, May 10-12

NASP® World: Louisville, KY, June 7-9

IBO Outdoor World Championship: Snowshoe, WV August 10-11

NASP® TOURNAMENT SANCTIONED RULES & PROTOCOLS

National 3D Challenge: The archer's school must have shot in a state level NASP®/IBO 3D Challenge or be registered for the NASP® Nationals (bullseye) in order to participate in the NASP® IBO 3-D National Challenge. For teams that competed in a state level NASP®/IBO 3D Challenge, qualification tiers will be in place for national registration that will give qualifying teams priority registration over states without a state level 3D tournament.

World 3D Challenge: Teams and individuals must qualify for the *World 3D Challenge* at the *National 3D Challenge*. All NASP® IBO safety protocols must be followed by participating schools, teams and individuals to preserve the experience for current and future students.

New for 2018: Except for inconsequential language edits, rule changes are in yellow highlights.

New for 2018: Eastern and Western NASP® Nationals: Qualified schools may register to participate in one but not both. Participation is not guaranteed in either event. Registration will be open to all qualified NASP® schools. Registration for these events will be determined by school. **Once a school is registered for one of these NASP® tournaments, teams and individual archers from that school will only be permitted to participate in that event.** Qualification tiers will be established for each event individually. All other NASP® National and World rules apply.

Summary of Major Changes in the 2018 NASP® Competition Rules

- **Homeschool:** NASP® has always welcomed homeschool archers. However, homeschools were not being held to the same standards as other types of schools. To participate as a homeschool team, a group will need to demonstrate that they are gathering together for educational purposes, beyond just archery. In addition, NASP® is going to request more specific information about who receives the in-school lessons in that group and what other activities they gather for.
- **Shooting Up:** Shooting Up will still be allowed but limited to schools with less than 150 NASP® eligible archers. Schools with less than 150 NASP® eligible archers will be allowed to add archers to their team from lower level schools (or same level schools) until a total of 150 NASP® eligible archers is reached or exceeded.
 - The intent of shooting up is simply to allow a school to build a team of 12-24 archers (bullseye) or 6-24 for the 3D challenge. Based on historical data, NASP® feels that a pool size of 150 students is adequate for this purpose.
 - When archers shoot up, there is often confusion about the actual identity of the school that an individual archer attends. This often proves difficult for NASP® regarding the in-school verification requirement.
 - As teams become more competitive, NASP® continues to receive reports of coaches "picking off" the best archers from feeder schools. This often results in a lower performance (score) from the original school where the archer attended. This is essentially sacrificing the feeder school team for the other team.

- NASP® believes that one of the most important aspects of the competitive side of our program is the opportunity for a student to represent “their” school. Shooting up undermines this principle.
- **Single Gender:** Single gender schools will no longer be required to merge with another school of the opposite gender to form a team. Many of the reasons for this, are the same as for changing the small school rule. NASP® is implementing this rule on a trial basis. If NASP® believes that in its creation, this leads to a competitive advantage for single gender schools, the practice will be re-evaluated
 - When schools combine, they compete under a single school name. NASP® does not always know the name(s) of the other school(s) and therefore has no way to verify that the in-school requirement is being met in all schools.
 - NASP® believes that the current rule creates a competitive disadvantage for schools who do not have another school with which to merge.
 - NASP® believes that one of the most important aspects of the competitive side of NASP® is the ability for a student to represent their school. Not allowing single gender schools to compete under their school name undermines this principle.
 - In analysis of NASP® scores over time, boys average about 3 points more than girls. In consideration of top performing archers, this difference is substantially lower.
- **Third Grade Archers:** Third grade archers will no longer be eligible for NASP® competition.
 - The primary reason for this is program liability. Previously, participation by third graders required a letter from the Principal stating that the student was mature and competent enough to safely compete. NASP® believes that this rule was not being followed at many local events and even at some state events.
 - The time-tested in-school curriculum developed for NASP® was designed for grades 4 – 12.
 - NASP® requested input from several elementary gym teachers about an “average” 3rd grader’s readiness for safely managing a genesis bow. All agreed that most 3rd graders are not mentally and physically ready for NASP®.

1. PARTICIPATION- All State, Provincial, National, and World Tournaments/Championships

To maximize the number of students who will discover their aptitude and interest for archery, NASP® is an in-school program. Because of this 77% of NASP® students first shot archery while taking lessons at their school. NASP® emphasizes team participation in order to maximize the number of students who will participate and to promote positive social interaction among students and faculty.

NASP® safety protocols must be followed by NASP® schools and teams to preserve the experience for current and future students.

- 1.1. Every archer must attend a public, private, charter, magnet, or home school that conducts NASP® lessons during normal school hours.
 - 1.1.1. NASP® lessons must be conducted as part of the in-school curriculum, a minimum of 10 hours per school year.
 - 1.1.2. In-school lessons are the priority in NASP®. Ideally these lessons should be thorough enough for the student to enjoy a safe and motivational experience.
 - 1.1.3. Examples of how this might occur include:
 - 1.1.3.1. At least 10, different archery classes of 1 hour each – daily for 2 weeks, twice weekly for 5 weeks, etc.
 - 1.1.3.2. 5 classes per day of 1-hour each, for 2 different days.
 - 1.1.4. When surveyed, NASP® schools report teaching NASP® archery 1-8 weeks during the school year.
 - 1.1.5. When a school meets or exceeds this minimum, even if not every student in the school takes the archery class, EVERY student in the school is considered eligible for NASP® tournaments. It is expected that even those who do not take the in-school instruction, will be provided safety and shooting form instruction, if they join the FOLLOW-UP archery club or team before they attend a NASP® tournament.
 - 1.1.6. Classroom lessons must include at least the following subject material:
 - 1.1.6.1. Determine eye dominance
 - 1.1.6.2. String Bow® used to teach Eleven Steps to Archery Success®
 - 1.1.6.3. Safety Orientation and shooting of bows and arrows on a NASP® range.
 - 1.1.7. After-school-only archery programs or clubs are ineligible.
 - 1.1.8. The school principal’s name & telephone # must be provided during tournament registration.
 - 1.1.9. NASP® may choose to contact the principal to confirm 1.1.

- 1.2. A NASP® School is one that adheres to the training, equipment, and safety requirements and protocols followed by NASP®.
 - 1.2.1. School lessons must be presented by NASP® certified faculty or volunteers.
 - 1.2.2. At least one coach of the team must be NASP® certified.
 - 1.2.3. Only NASP® certified teachers or coaches may register student archers for tournaments.
 - 1.2.4. Equipment use and range protocols must be followed.
 - 1.2.4.1. Only the standard Genesis bow & Easton 1820 arrows may be used during NASP® class or on a NASP® range.
 - 1.2.4.2. NASP® range specification and design must follow training provided in the NASP® Basic Archery Instructor's course.
 - 1.2.4.3. Failure to follow these protocols make the school ineligible to participate in NASP® tournaments. Failure to follow safety protocols such as bows, arrows, and curtain use, may also result in de-certification of the NASP® certified teacher or coach.
- 1.3. A 'school' (except Home Schools – see 1.4 below) for the purposes of participation in NASP® tournaments is a building or set of buildings on the campus where students at that school attend.
 - 1.3.1. For instance, a high school may have 9th grade and 10th-12th grade students on the same campus but in different buildings. This is one school.
 - 1.3.2. In another school all students K-12, 6-12, etc. may be in the same building or buildings on the same campus. This is one school.
 - 1.3.3. If schools with similar names but at separate address such as the 'North Middle School and North Elementary School' even if in the same district, they are separate schools and may not mingle shooters on teams.
 - 1.3.3.1. Except: If elementary grades (4th & 5th) are not in the same school the schools where the two grades are found may combine students to form elementary teams. Example: this could be a school with K-4 and a school combining with a 5-8 or 5-12 school.
 - 1.3.3.2. Except: If middle school grades (6-8) are not in the same school the schools where the three grades are found may combine students to form middle school teams. Example: this could be a K-6 school combining with a 7-8 or 7-12 school.
 - 1.3.3.3. Except: If high school grades (9-12) are not in the same school the schools where the four grades are found may combine students to form high school teams. Example: this could be a school with 9-10 combining with an 11-12 school.
- 1.4. A student who is homeschooled may only participate if the homeschool has enrolled in NASP® and provides NASP® archery lessons by a NASP® certified instructor. This also applies to other schools that are without buildings or campuses, such as certain "virtual" schools.
 - 1.4.1. If a local homeschool group meets for classes (Example: a group that meets for Math, English, Science, Physical Education and other non-archery classes), the students from that homeschool group can join together to form an archery team if approved by the State NASP® Coordinator.
 - 1.4.2. The homeschool group must contact their State NASP® Coordinator to inform the Coordinator of their intent to form a NASP® archery team. State Departments of Education maintain lists of public and private schools that coordinators can use to determine valid schools. Homeschool groups are not included on these lists. This will allow Coordinators to validate and be aware of the homeschool groups and their NASP® archery teams.
 - 1.4.3. If a student is not a member of a homeschool group that meets for school lessons other than archery, the student can still participate as an individual, but not as a part of a team.
 - 1.4.4. A homeschool school name must include the word "Homeschool" in the name.
 - 1.4.5. The homeschool group must present the NASP® lessons (as described in section 1.1.) as a portion of an in-school classroom curriculum, such as in Physical Education. To meet the same requirement as public schools the lessons should include students that are not on the archery team, where possible. If Physical Education is not offered, NASP® lessons could be included in Math, Science, or any other in-school class curriculum.
 - 1.4.6. EXCEPT: Some home-schooled students receive Physical Education from public or private schools.

- 1.4.6.1. If the home-schooled student receives NASP® lessons while attending classes at a NASP® public or private school that student may participate for the home school or the school where the archer receives NASP® classes IF the schools agree.
- 1.4.6.2. The home-schooled student is ineligible if archery lessons are after-school only.
- 1.5. Only students who are in grades 4-12 by the date of the tournament may participate. **Third grade archers are no longer permitted to participate in NASP® tournaments.**
 - 1.5.1. A student at a NASP® school who has graduated early during the current school year may, at the discretion of the school Principal, participate.
 - 1.5.2. A student who no longer attends a NASP® school due to having moved, promoted, etc. is ineligible to participate in this tournament until/unless the student's new school joins NASP® and may then only represent their NEW school.
- 1.6. NASP® bullseye archery teams must contain 12-24 students, at least 4 of which must be of the opposite gender.
- 1.7. If the school is single gender, **the school can request (to their State NASP® Coordinator) to compete as a single-gender-only school.**
- 1.8. If a school (or a NASP® division within the school) contains fewer than 150 NASP® eligible students (combination of grades 4-12), the team may be comprised of students from their school and/or other participating NASP® schools in the same city, county, or school district based on the rules below. Eligible NASP® schools (or divisions) can join together until a total of 150 NASP® eligible students (combination of grades 4-12) is met:
 - 1.8.1. A school with high school students only (grades 9 – 12) with fewer than 150 students can add archers from another NASP® high school, middle school or elementary school.
 - 1.8.2. A school with middle school students only (grades 6 – 8) with fewer than 150 students can add archers from another NASP® middle school or elementary school in the same city, county, or school district.
 - 1.8.3. A school with elementary students only (grades 4-5) with fewer than 150 students can add archers from another NASP® elementary school in the same city, county, or school district.
 - 1.8.4. A school with multiple divisions within their school...
 - a. If the high school division has less than 150 students, that division can add archers from lower divisions within their school or high school archers from another school in the same city, county, or school district.
 - b. If the middle school division has less than 150 students, that division can add archers from lower divisions within their school or middle school archers from another school in the same city, county, or school district.
 - c. If the elementary division has less than 150 students, that division can add elementary archers from another school in the same city, county, or school district.
 - 1.8.5. A school (or division within the school) with more than 150 NASP eligible archers may not add archers to their team from another school or division within their school.
 - 1.8.6. If a student shoots up for a higher division team, that student will be competing for team rank in that older division, but retain individual rank according to the archer's actual grade.
 - 1.8.7. Unless utilizing this "small school rule", students may only shoot on a team at the NASP® school they attend.
- 1.9. Competitive divisions are Elementary: 4th-5th, Middle: 6th 7th & 8th, & High: 9-12 grades.
- 1.10. NASP® is a school program. If a school administration deems a student unsuited to represent the school, NASP® will abide by the decision. Ineligibility generally occurs when a student has been disciplined or for academic reasons.
- 1.11. If a student archer is disqualified for cheating at a provincial, state, or regional tournament, the student is ineligible to participate in NASP® Nationals or Worlds until such time the student has regained good standing in his or her state or province. The NASP® coordinator would alert the national office of such disqualification.

2. NASP®/IBO 3D Challenge National & World Tournament Registration Protocols

- 2.1. In addition to # 1.1 - 1.11. Above.
- 2.2. There is no minimum number of students from the state tournament roster required for the National or World roster. Team size remains 6-24 students with at least 2 of the opposite gender.

- 2.3. Substitutes for the National and World rosters may be students that did not participate in the state (or National) tournament but they must be from the same school and in the same division. **Only Schools that meet the requirements of the small school rule in section 1.8 may have student's shoot-up in a different division.**
- 2.3.1. Individuals must shoot in their actual division for Nationals and Worlds unless the school meets the requirements specified in 1.8.
 - 2.3.1.1. If by meeting the requirements of section 1.8. An individual shot in a higher division at the state or provincial tournament the individual may shoot "down" in their actual division for Nationals and/or Worlds.
 - 2.3.2. If a school sent multiple teams to the state or provincial tournament they may recombine archers from these teams for nationals. **Not applicable to entire school districts/systems.**
 - 2.3.3. If a school sent multiple teams to the national tournament they may recombine archers from these teams for the world tournament. **Not applicable to entire school districts/systems.**
- 2.4. A school may register as many teams that qualify at their state or provincial tournament IF the state or province in question allows multiple teams from the same school to participate.
- 2.5. Additional registration information, schedule of times and tiers, TBA.

3. Equipment -- Only equipment specified for use in NASP® may be used in the tournament.

NASP® equipment has been selected to be as universal-fit as possible to make administration of the program most suitable for in-school teaching. The program would be too complicated if multiple bows, arrows, and accessories were allowed. Tournaments follow in-school program design as closely as practical.

- 3.1. If after the 10-meter practice end begins an archer is found to be using disallowed equipment, the archer is subject to disqualification.
- 3.2. **Bows:** Only the stock (original) unmodified Genesis™ bow approved for NASP® may be used.
 - 3.2.1. All bows must be on bow racks for range official inspection before shooting begins. Once inspected, the bow must remain on the range unless a repair is needed and approved by a lane official.
 - 3.2.2. The Genesis Mini, Pro, and GenX are not allowed for use in NASP®.
 - 3.2.3. The bow's axle-to-axle length, measured from the center of each axle must be **no shorter than 35.25"**.
 - 3.2.4. The bow's grip must be in place and unmodified. Changing the shape by removing material or adding material, including tape would be a disallowed modification. **The grip may be painted for personalization. However, paint used must be "color only". The use of paint with added texture material or paint that dries with a multi-texture finish (including but not limited to those designed as bed liner material) is disallowed.**
 - 3.2.5. Only tied on or heat shrink nock locators may be used.
 - 3.2.5.1. There may be up to one nock locator above and below the arrow nock.
 - 3.2.5.2. If using two nock locators the gap between them must be $\leq 1-1.5$ nock widths. **The archer must nock the arrow between the 2 nock locators.**
 - 3.2.5.3. **If using one nock locator the archer must nock the arrow below the nock locator.**
 - 3.2.5.4. Brass nock locators are prohibited for safety reasons.
 - 3.2.5.5. Instructions for tying on a nock locator are available @ www.naspschools.org
 - 3.2.6. The bow must be sight and sight-mark free.
 - 3.2.6.1. Tape, paint, **or "sharpie"** to cover sight marks will be applied to the face of the sight window at a point starting at the top of the bow's grip and running at least 6" up the face of the sight window towards the top limb. **Any tape used must be a single piece of tape applied vertically and shall not be wrapped around the sight window.**
 - 3.2.6.2. Camouflage bows may be used, but the face of the sight window must be covered to prevent camouflage lines serving as sight marks.
 - 3.2.6.3. The face and inside of the sight window must be kept free of any marks and raised edges, such as tape, bubble logos. If an NWTF bubble logo is on the side of the sight window, it must be removed or placed elsewhere on the bow.

- 3.2.6.4. Tape or paint used to cover sight marks must remain throughout the competition.
 - 3.2.6.4.1. Archers and coaches should comply with this rule before their flight time.
 - 3.2.6.4.2. If sight marks are discovered the archer or coach will be asked to cover them.
- 3.2.7. The bow must be free of draw stops or stabilizers.
- 3.2.8. The bowstring and cables may be 'after-market' but of the same approximate length.
- 3.2.9. The standard cable guard, slide (black only), wheel, cam, bearings, riser, and limbs must be original and unmodified. Axle to axle length as specified in 3.2.3 must be met.
- 3.2.10. A bow may be personalized by painting, stickers, et cetera, but without sight-marks.
 - 3.2.10.1. Temporarily attaching carabineers or other devices to the bow during any flight is prohibited.
- 3.2.11. The arrow rest must be original and unmodified. The rest arm sleeve may be original, absent, or replaced with heat shrink tubing similar to the original rest arm sleeve.
- 3.2.12. The bow's draw weight must remain unchanged throughout the flight after the 1st scored arrow is shot at 10 meters.
- 3.2.13. Except for malfunction, bows must remain downrange of the waiting line once shooting begins.
- 3.2.14. Except for major malfunction the same bow must be used throughout the competition.
- 3.2.15. A non-compliant bow must be removed from the competition by the head coach until it is restored to a compliant condition before competition begins or resumes.
- 3.2.16. **Loaner Bows:** Archers are expected to bring their own NASP® bows. A few 'loaner' bows will be available in case of equipment failures.
- 3.3. **Arrows:** Only the original unmodified Easton aluminum 1820 arrows approved for NASP® may be used.
 - 3.3.1. At Nationals and Worlds Only - Tournament officials will provide 5 NASP® arrows in each archer's floor quiver.
 - 3.3.1.1. These provided arrows are loaners and remain the property of NASP® after the student's use.
 - 3.3.1.2. Arrows provided may have been shot in prior flights.
 - 3.3.2. If the archer provides personal arrows they must be official, unmodified NASP® arrows.
 - 3.3.3. If personal arrows are used, a readily accessible supply of replacements must be on hand.
 - 3.3.4. Arrow nocks may be the NASP® glue-on or push-in nock or both.
 - 3.3.5. Arrow points must be the NASP® standard; glue-in, cone shaped and weighing 60 grains.
 - 3.3.6. Arrow vanes must be 3 soft plastic, 2.5-3.0" long and between .4-.6" in height and attached to the shaft with a straight off set of approximately 1.5 degrees. Vanes may be of any brand or shape but must be within the listed dimensions
 - 3.3.6.1. New Archery Products (NAP), the maker of the Genesis bow arrow rest, has developed a replacement vane system for NASP®. This system will be permitted in NASP® schools and tournaments. It meets our dimension specifications outlined in 2.2.5 above. It is called "NASP® SPEEDFLETCH (patents: 7,955,2901 & 6,142,896). This vane system will have the NASP® logo marking the index vane.
 - 3.3.7. Personal arrows must have vanes marked for identification. The arrow shaft may be marked, crested, or taped above the mid-point (towards the nock) for identification. The crest (NASP-Genesis label) must remain visible and readable.
- 3.4. **Accessories: Very few accessories are allowed in NASP®**
 - 3.4.1. Archers may wear finger tabs, tape, or gloves to protect draw-hand fingers. This includes "5-finger" gloves like golf and batting gloves.
 - 3.4.2. Finger protection devices similar to the "No Glove" and devices made by other manufactures may be placed on the bowstring but these must be without locator buttons (also known as kissers buttons) discs, or aiming aids.
 - 3.4.3. Heat shrink tubing may be placed on the bowstring to reduce finger strain but the tubing must cover the entire center serving above and below the nock locator(s).
 - 3.4.4. Archers may wear arm guards and chest protectors.
 - 3.4.5. Archers may wear eye patches, glasses, or tape on glasses.

- 3.4.6. Finger or wrist slings are allowed. Wrist slings may be attached using the bolt that comes with the strap. The bolt must be made of steel or plastic and must only protrude one inch or less beyond the bow's accessory hole (finger slings are only to be put in place once the 1 whistle command to shoot is provided).
- 3.4.7. Mechanical release aids are prohibited.
- 3.4.8. The bow must remain free of any devices designed to dampen vibration.
- 3.4.8.1. This includes not allowing tape to be wrapped around "join" 2 bow limbs.
- 3.4.9. Potential special allowances for physically challenged archers are evaluated on a case-by-case basis. While participation by the challenged archer is important, other competitors must not be negatively impacted. Commonly approved allowances include:
- 3.4.9.1. Wheel chairs are permitted if needed.
- 3.4.9.2. In the case of hearing or visually impaired archers, a coach or parent may provide assistance at the shooting line. A lane official must be alerted before shooting begins.
- 3.4.9.3. Mouth tabs are permitted for archers whose physical challenges make drawing the bowstring impossible.
- 3.4.9.4. Archers who use crutches may shoot from a chair or have coach assistance to stand.
- 3.5. At official discretion, any bow, arrow, or accessory may be subjected to inspection, including dismantling and weighing. Anyone found using disallowed equipment or modifications will forfeit awards and be disqualified. Disqualification may affect their team's rank.

4. Competitive Format

NASP® competitions are designed to be extensions of the in-school curriculum. Tournaments emphasize safety, sportsmanship, and indoor application.

4.1. Range Set-Up

- 4.1.1. Each range will have 6 shooting lanes and 6 targets, 1 target per lane.
- 4.1.2. Targets will be placed along a diagonal line ranging in distance from 10 meters (32' 10") to 15 meters (49'2") from the shooting line. Target 1 will be approximately 10 meters from the shooting line and target 6 will be approximately 15 meters from the shooting line. Targets 2, 3, 4 and 5 will be between targets 1 and 6.
- 4.1.3. The 10-meter target will be a turkey. The 15-meter target will be a mountain sheep. Between 10 meters and 15 meters, at increasing distances, will be a coyote, bear, pronghorn antelope, and deer. All targets are manufactured by Rinehart and available for purchase on the NASP® website. **Each target may be facing right or left in order that both sides of the target insert is used. Targets may be shot from the shortest distance to the longest; or from the longest distance to the shortest, depending on individual range layout.**
- 4.1.4. The diagonal target line will be approximately 3 yards or meters from the targets.
- 4.1.5. The single, straight or horizontal shooting line, will be divided into 6, 5-foot-wide shooting lanes, each accommodating 2 archers.
- 4.1.6. The waiting line will be at least 4-5 yards or meters beyond the 15-meter shooting line.
- 4.1.7. A 'Coach's Alley' will be delineated between the waiting line and spectators.
- 4.1.7.1. Only three coaches from each team may be in the coach's alley.
- 4.1.7.2. We encourage alley coaches to be seated as much as possible to prevent blocking the view of spectators in the audience.
- 4.1.7.3. Coaches in the alley must wear credentials provided at registration (wrist strap, etc.)
- 4.1.7.4. For teams, at least one coach must be immediately available and located with his or her team while the team is shooting in case issues must be resolved. Coaches must display positive sportsmanship while in this alley.
- 4.1.8. Spectator seating will be placed as close as possible behind the waiting line.
- 4.1.9. Shooting lines will support 5-foot-wide shooting lanes accommodating 2 archers per lane.

4.1.9.1. The shooter's label will indicate with "Left" or "Right" which half of the 5' wide shooting lane each archer is assigned.

4.1.9.1.1. Crowding across the middle of the lane is considered unsportsmanlike conduct.

4.1.9.2. Shooters occupying a lane will be from different schools where possible.

4.1.9.3. Solo shooters will be combined where possible to promote integrity.

4.2. **Whistle Signals: NASP® whistle commands will be used to operate the range.**

4.2.1.5+ whistles for an emergency

4.2.2.2 whistles to 'get bow'

4.2.3.1 whistle to 'shoot'

4.2.4.3 whistles to 'go get arrows'

4.3. **Arrow Handling and Movement About the Range: NASP® safety rules must be followed.**

4.3.1. Archers must walk when moving about the range.

4.3.2. Archers must have one foot on each side of the shooting line with 'bows on toes' before shooting begins.

4.3.3. While shooting, the archer must straddle the shooting line with the non-target foot behind the back edge of the shooting line. NO PART of the shooting line will be covered by the archer's foot.

4.3.4. The tournament-provided arrow quiver must be placed ON the shooting line in FRONT of the archer.

4.3.5. Shooter and quiver must remain in each archer's half of the assigned lane when on the shooting line.

4.3.5.1. Crowding across the middle of the lane, or into an adjacent lane, is considered unsportsmanlike conduct. Crowding is defined as any part of the archer's body or equipment extending past the 30-inch area assigned to the archer.

4.3.5.2. The quiver must remain on the shooting line and within 30-inch area assigned to the archer.

4.3.6. While both archers may approach the target when scoring, only one archer may remain at the targets when arrows are pulled. The other archer must be safely behind the target line while arrows are being pulled from the target.

4.3.7. Archers must remain on their feet (standing) and off their knees when pulling arrows.

4.3.8. Arrow points must be covered with one hand and shafts grasped below the vanes with the other hand when walking with arrows.

4.4. **Order of Shooting**

4.4.1. Archers will shoot one practice end of 5 arrows at the target placed in their shooting lane.

4.4.2. Archers then shoot the first scored end of 5 arrows at this same starting target.

4.4.3. After shooting and scoring an end of 5 arrows, the archer will move the scorecard **from left to right**, to the **target line** at the next target and move arrows to the next quiver.

- 4.4.4. When the archer comes to the right end of the range and has not yet shot all 6 targets, the archer will move to the opposite end of the 6-target range and continue shooting and moving to the right until the flight concludes.

Schematic for NASP® IBO 3D Challenge

Each range (2 below) contains 5, 5' wide lanes, 2 archers/lane and one 3D target

- 4.4.5. Archers will have 2 minutes to shoot each 5-arrow end.
- 4.4.6. Dropped arrows will be left on the floor and replaced by a range official.
- 4.4.7. An arrow that bounces off the target may be shot again as instructed by range officials.
- 4.4.8. An arrow that reaches the target line without hitting the target is considered a shot rather than a dropped or bounced-out arrow and will be scored zero points.
- 4.4.9. If an archer is unable to safely use the equipment and follow range protocols that archer may be removed from the competition.
- 4.4.10. If the archer's draw weight and draw length aren't sufficient to perform on par with other archers in the tournament the archer may be removed. Shot arrows that fail to reach or stick in the target butts are symptomatic of insufficient performance.
- 4.4.11. After shooting the last arrow the archer must immediately leave the shooting line, rack the bow, and return behind the waiting line. This is NASP®-specific range management protocol.
- 4.4.12. Lost vane, arrow rest damage or failure, broken nock - if any occur during the release of an arrow and that arrow makes it to the target line and doesn't bounce off of the target, it is a shot arrow.
- 4.4.13. If during a tournament there is a delay in shooting exceeding 10 minutes, the tournament director has the discretion to allow archers to shoot 5 practice arrows at the target they are on prior to restarting the scoring ends. Examples of a delay could be but not limited to: (Indoor) power outage, fire alarm or medical emergency. (Outdoors) Weather such as heavy rains or lightning.

4.5. Coaching

- 4.5.1. A team shall have no more than 3 coaches in Coaches Alley during the flight. Individual groups may have 1 coach in Coaches Alley.
- 4.5.1.1. Any coach in Coaches Alley must have a green coach's wrist band. Clearly identifying them as a NASP® coach.
- 4.5.2. Coaches of special needs archers may be allowed (with prior approval of range officials) to stand with the archer on the shooting line. However, they must do so safely and without distracting the other archers.
- 4.5.3. Coaches may communicate the archers on the shooting line. However, they must do so without distracting the other archers.

5. Scoring:

- 5.1. Only archers and tournament officials will be allowed downrange of the waiting line.
- 5.2. All arrows should be scored before any arrow or the target's face is touched.
 - 5.2.1. Moving or pushing an arrow into the target to affect an arrow's score violates 5.2.
- 5.3. The scoring rings are 10, 9, & 8. Any arrow outside the 8-ring but on the animal is scored a 7. Arrows in the horns (sheep & antelope), antlers (deer), or stump (turkey) are scored zero.

- 5.3.1. An arrow **shaft** (not the hole) touching a scoring ring line is awarded the higher point value.
- 5.3.2. An arrow scores zero (0) points if:
 - 5.3.3. If the arrow misses the target.
 - 5.3.4. If the arrow deflects off and **past** the target. (A deflection back towards the archer is a bounce out and a replacement arrow may be shot.)
 - 5.3.5. An arrow that 'robin-hoods' (sticks in the back of another arrow) receives the value of the arrow in the target.
 - 5.3.6. An arrow that deflects off another arrow and sticks in the target is scored where it sticks.
 - 5.3.7. An arrow that deflects off another arrow and fails to stick in the target is treated as a bounce out.
 - 5.3.8. An arrow that skips off the floor and imbeds in the target is scored where it sticks.
 - 5.3.9. An arrow that skips off the floor and bounces off the target is treated as a bounce out.
 - 5.3.10. An arrow that sticks in the target but falls completely out as shooting continues is treated as a bounce-out and a replacement arrow may be shot
- 5.4. Each lane should have two archers, one in the **left** half of the lane and the other in the **right** half of the lane.
- 5.5. Scannable (bubble-type) scorecards will be used. Archers should practice with this type of scorecard before coming to the tournament. [CLICK HERE](#) for a practice scorecard.
- 5.6. Both archers' scorecards will be on the same score board.
 - 5.6.1. The score board will be placed on the target line.
 - 5.6.1.1. The score board may be placed anywhere on the target line within the archers' lane.
- 5.7. Both archers will walk to the target in their lane to record arrow scores.
 - 5.7.1. One or both archers may approach the target face to score arrows.
 - 5.7.2. **OFFICIAL SCORING PROTOCOL:** One archer will CALL and BUBBLE the other archer's arrow.
 - 5.7.2.1. The scorecard will be modified to have a "Check-Box" to the right of each 5-arrow end.
 - 5.7.2.1.1. The archer should check this box indicating he or she has examined each 5-arrow end to make sure the score has been correctly entered.
 - 5.7.2.1.2. Also check to assure that ALL ARROW VALUES are bubbled.
 - 5.7.3. Then the archers will reverse roles.
 - 5.7.4. If archers cannot agree on an arrow's score, a range official must be asked for the final decision.
 - 5.7.5. Only range officials may have erasers on the range. If the archer needs a score erased, the official will perform the task. The lane official will document such action on the back of the scorecard.
 - 5.7.6. After both archers are satisfied that arrow values have been accurately recorded, scores are considered final.
 - 5.7.7. One archer will move safely behind the Target Line while the other archer pulls his own arrows.
 - 5.7.8. Then the archers will reverse positions, one behind the Target Line while the other pulls her own arrows.
 - 5.7.9. At the conclusion of the flight both archers must sign the scorecard.

- 5.7.9.1. If an archer fails to sign his or her scorecard, the scorecard will be considered approved and final.
- 5.7.9.2. The archer represented by the unsigned scorecard will not be disqualified for neglecting to sign.
- 5.8. Scorecard deficiencies may be found in the scoring room:
 - 5.8.1. Scorecard has more than one value on a scoring line. The higher value will be erased.
 - 5.8.2. Scorecard has more than one value on a scoring line but there is a blank line among the 5 scoring lines. One of the double values will be moved to the blank line.
 - 5.8.3. A scoring line is blank. Except in 5.8.2 above, the blank line will be scored zero.
- 5.9. An archer's score may only be counted for a single team. The score will also be used to determine the archer's individual placement.
- 5.10. Range officials will gather signed scorecards after each flight at the target.
- 5.11. Disqualification may occur if an archer takes the scorecard up-range of the shooting line or to the coach or other unofficial person(s).
- 5.12. If an archer observes another recording a false score a range official **must** be alerted.
- 5.13. Summation of the team's highest 6 individual scores, with at least 2 of both genders will comprise the team score.
- 5.14. **For single gender schools, all 6 individual scores will be from a single gender.**

6. Ties Breakers

6.1. Individual Ties

- 6.1.1. First by the computer by comparing total score, then # of 10's, 9's, 8's, and 7's.
- 6.1.2. If ties remain, only those individuals tied for overall female and overall male archers will shoot-off to break the ties (this includes ties for overall runner-up). All other ties will remain and will receive duplicate awards.
- 6.1.3. Overall and runner-up female and male individual ties will be broken with a shoot-off that will take place prior to the awards ceremony. **KEEP YOUR BOW NEAR BY!** Archers absent for tie breaking will be awarded the lower rank
- 6.1.4. Overall tied individuals will shoot a 5-arrow warm-up end at the sheep.
 - 6.1.4.1. Then a 5-arrow competitive end at the sheep.
 - 6.1.4.2. If the tie persists, a single arrow shot at the sheep, closest to the middle of the sheep's 10 ring will break the tie.

6.2. Team Ties

- 6.2.1. Team ties, if they occur, will be broken.
- 6.2.2. First by the computer by comparing total score, then # of 10's, 9's, 8's, and 7's.
- 6.2.3. If necessary tied teams will select one male and one female archer from their teams.
 - 6.2.3.1. These two archers from each team will shoot a 5-arrow warm-up end at the sheep and then a 5-arrow scoring end at the sheep.
 - 6.2.3.1.1. Combined scores of both boy and girl team members will be compared to break the tie.
 - 6.2.3.1.2. If the tie persists both the boy and girl from each team will shoot a single arrow at the same target. The arrow closest to the center of the target will win the tie.

7. Dress Code - NASP®/IBO 3D Challenge tournaments are an extension of the educational experience

- 7.1. It is important that students remain safe and comfortable. Therefore, all student archers must wear close-toed shoes. (Bare feet and sandals are disallowed)
- 7.2. All coaches should make sure their student archers adhere to their school's dress code at the tournament except for the total ban of open-toed shoes above in 7.1.
- 7.3. Use of personal music playing devices, ear buds and headphones are prohibited on the range.
- 7.4. Ear plugs to block distractions are permitted as long as the archer remains able to hear and follow range commands.

8. **Sportsmanship:** Archers, coaches, volunteers, and spectators are expected to respect others. Acts of unsportsmanlike conduct will result in disqualification and or removal from the event. These are a few examples of unsportsmanlike conduct:

8.1. Purposefully disturbing another archer with excessive touching or talking

8.2. Failure to follow lane official direction

8.3. Physical or verbal abuse of any person at the event

8.4. Attempts to cheat include:

8.4.1. Using disallowed equipment

8.4.2. Improper call-out of arrow value.

8.4.3. Improper bubbling of arrow value.

8.4.4. Failure to bubble in an archer's arrow value.

8.4.5. Erasure of anything on the scorecard. Only lane officials may use erasers.

8.5. Behavior considered disruptive, unsafe, offensive, or otherwise inappropriate may result in disqualification and or expulsion of the archer, coach, and observers. Examples include:

8.5.1. Intentional or repeated bumping of another archer or archer's bow.

8.5.2. Encroaching beyond the archer's assigned half of the 30" in the shooting lane.

8.5.3. Ignoring the L vs. R assignment in the shooting lane.

8.5.4. Vulgar or otherwise offensive language used while shooting or on shirts or banners.

8.6. The use or possession of drones or other flying devices is prohibited at all NASP® events. Rare use may be granted to select media outlets through advanced application to NASP® officials.

9. Protest Procedure

9.1. Coaches may visit the scoring area following the conclusion of each flight.

9.2. Only the officially registered coach of the team or individual may register a protest.

9.3. The scoring area team leader must receive any protest within 45 minutes following flight conclusion.

9.4. Protests may concern an archer or team score or equipment compliance.

9.5. Video or other photographic evidence regarding the protest will not be considered.

9.6. Rule clarification or suggestions may be provided by going to "Contact" at: www.naspschools.org

10. NASP®/IBO 3D Challenge SCHOLARSHIPS at NASP® Eastern and Western National Tournaments

10.1. Top male and female - \$1500.00

10.2. Runner-up male and female - \$1250.00

10.3. 3rd place male and female - \$1000.00

10.4. 4th place male and female - \$750.00

10.5. 5th place male and female - \$500.00

10.6. Only overall and runner up ties for scholarships will be broken by shoot off. Archers tied in 3rd through 5th place with receive duplicate scholarships.

11. IBO Outdoor World Championship Scholarships (3-Star Challenge)

11.1. Top over-all male and female from all three events - \$1,000.00

11.2. Runner-up male and female from all three events - \$500.00

11.3. Two randomly drawn names - \$500.00

12. IBO Scholarship (Participated in All 4 NASP®/IBO 3D Events)

12.1. At the IBO Outdoor World Championship, IBO will draw 4 random names from archers that competed in each of the following; a State Level NASP®/IBO 3D, NASP®/IBO 3D Nationals, NASP®/IBO 3D Worlds, and the IBO Outdoor World Championship.

12.2. Each random drawn archer will receive a \$1000.00 scholarship.

13. Awards

13.1. One team trophy and medals will be awarded to the 1st, 2nd and 3rd place teams in each division at the NASP® Nationals and NASP® World. 1st and 2nd place team awards will be given at the IBO Outdoor World Championships.

13.2. Plaques, and medals will be awarded to 1st - 5th place individual boys & girls in the elementary, middle & high school divisions. Individuals tied for 1st through 5th place will receive duplicate awards.

13.3. Only the individual ties for overall female and overall male archers will be broken

13.4. Tournament Overall and Runner-Up Champion boys and girls will also be recognized.

13.5. Additional prizes may be awarded teams and individuals as they are available.
